Problem is "How could he get to jobs?"

Cx has elected to have surgery
RESPONSE EXPECTED: YES NO

IF YES, WHAT? In April - he'll have to check on specific date

* Can do a sedentary job? Yes - but
it's how he will get to job in NY that's the issue

B) knee - so driving or walking is

ACTION TAKEN a problem. Cannot climb.

Dr. _____ will send me a current medical
status. He said he did respond
to our request, but apparently we didn't
receive it. He said he'd review our info
again. I said we need current medical &
then may request a current TSA & may have him reviewed
if necessary.

410.

Discussed claim to Ginny. 3/25/97
Discussed KN when medical visit.
He asked when surgery scheduled.
Cx said 4/21/97

Will fu on after 4/21/97 &
then ^{possibly} ask nurse about recovery
time

Then will have to watch his
R.E.L.'s (especially walking + driving)

Then may consider a current T.S.A.

(Ginny said. There are hands controls for
driving + if needs use of wheelchair
to ambulate)
